

Cookies Policy

PortContact.com

Last updated: April 8, 2025

This Cookies Policy is part of the overall Privacy Policy of PortContact and should be read in conjunction with it.

PortContact ("we", "our", or "us") uses cookies and similar tracking technologies to support secure, temporary, and functional use of the website <https://portcontact.com> (the "Website"). We do not use cookies for profiling, behavioral analysis, or cross-site advertising.

What Are Cookies?

Cookies are small text files that are stored on your device when you visit a website. They are widely used to enable websites to function or to improve efficiency, as well as to provide information to the website operator.

Types of Cookies We Use:

1. ****Strictly Necessary Cookies****

These cookies are essential for the operation of our Website and enable basic features such as page navigation, session security, and abuse prevention. Without these cookies, the Website may not function properly. These may include:

- Session identifiers
- Load balancer tokens
- Anti-bot and rate-limiting mechanisms (e.g., Cloudflare security cookies)

2. ****Analytics Cookies (Optional)****

We may use analytics services such as Google Analytics to gather aggregated data on how users interact with our Website.

- These cookies are anonymized (e.g., IP addresses are masked)
- They do not allow tracking of individual user behavior across sessions or websites
- We do not use analytics for commercial profiling or advertising

3. ****No Marketing Cookies****

We do not use cookies for retargeting, advertising, behavioral tracking, or data resale. No cookies on our Website are used for third-party ad targeting or monetization.

Cookie Management:

You can control and manage cookies using your browser settings. Most browsers allow you to:

- See what cookies are stored
- Delete cookies
- Block cookies from specific websites
- Block all cookies entirely

Please be aware that blocking strictly necessary cookies may impact the core functionality of the Website.

For detailed instructions, please visit: <https://www.aboutcookies.org>

Third-Party Services:

While we aim to minimize external integrations, certain essential services (e.g., embedded forms, analytics, CDN security) may deploy their own cookies. These are subject to the respective provider's privacy policy.

We strongly encourage users to review those third-party cookie policies directly.

Consent:

When visiting our Website for the first time, you will be presented with a cookie banner allowing you to accept or manage cookie preferences. By continuing to use the Website, you consent to the use of cookies as described in this policy.

Contact:

For any questions about this Cookies Policy or your data rights under GDPR and LSSICE, please contact:
